

Canadian Hematology Society

This program will recognize Canadian researchers and reward excellence in original research in the field of hematological oncology

2007 Research Awards Program

Up to seven awards will be selected by the Research & Education Committee of the Canadian Hematology Society. The award categories are:

3 PhD and Postdoctoral | 3 Residents and Fellows | 1 Junior Faculty Member

Each award will consist of an unrestricted educational grant in the amount of \$5,000 to support the recipient's continuing medical education and training. The Canadian Hematology Society 2007 Research Awards Program is supported by an unrestricted education grant from Bayer HealthCare.

For more information and an online application, please visit the CHS website at: www.canadianhematologysociety.org or call the CHS at 1.613.748.9613
