# Announcing the R K Smiley Research Grant

The Canadian Hematology Society is pleased to announce the establishment of a new research award, to mark the Fortieth Anniversary of service and support to hematology practitioners in Canada. The award is named in honour of our Founding President, Dr. R. Kennedy Smiley.

## Details

**The R K Smiley Research Grant** program will provide start up grants of \$10,000 aimed at pilot projects expected to lead to larger follow-up studies funded by CIHR or other grant funding agencies.

Applicants may be clinicians or scientists whose project is relevant to the field of hematology.

### To apply:

Applications should be:

- Maximum one page length
- Double-spaced
- Font size 12

### NB

- Applications should be emailed to **chs@uniserve.com**
-
